The duties of the anti-drugs committee includes the following;

- Organizing awareness programs in the college and hostels against drug abuse.
- The committee should ensure that the college premises and surroundings' are maintained free of drugs
- Carrying out regular as well as surprise visits in Hostels and other places.
- The committee should work with the ultimate aim of achieving the status of Narcotic drugs free campus in our college

The committee members are advised to conduct a meeting and send the Action taken report periodically to the Academic Office for further process.
